

About us...

Fortune Freestyle is a club within the National Capital Region of Freestyle Skiing Ontario (FSO) and a member of the Canadian Freestyle Skiing Association (CFSA).

Our training base is located at Camp Fortune in Chelsea, Quebec.

We are a not-for-profit organization entirely led by volunteers.

Our CFSA-certified coaches provide coaching and training for freestyle skiing athletes who want to develop their skills from recreational to competitive levels.

Our goal is to introduce the sport of freestyle skiing to children and youth in the region, in a fun and safe environment.

Our mission is to help them grow and develop in the sport while having a great time on the slopes.
